RUMANIAN IMPORTS
FROM USSR AND CZECHOSLOVAKIA

IMPORTS AT SOCOLA-IASI -- Scanteia, No 1203, 21 Aug 48

Since 1 January 1948, 9,451 carloads of goods, raw materials, and machinery from the USSR have arrived at the Socola-Iasi station. The articles included metallurgical coke, iron, refractory bricks, best seeds, fertilizers, cotton, and threshing machines for wheat.

COTTON FROM THE USSR -- Scanteia, No 1276, 14 Nov 48

Ninety-five percent of the cotton processed in Rumanian mills comes from the USSR. Two hundred eighty-seven million meters of cotton goods made from Soviet cotton have been distributed to the Rumanian people.

SHIPMENT AT IASI -- Scanteia, No 1268, 5 Nov 48

Large quantities of imports from Russia have reached Iasi by rail from the border station of Ungleni. The shipment, which arrived during the night of 5 November, contained appreciable amounts of metallurgical coke, refractory ceramics, and asbestos.

TRUCKS AND TRACTORS -- Scanteia, No 1230, 22 Sep 48

In the shipment which arrived at Galati from USSR were 40 five-ton ZIS trucks, thirty-six 60- and 80-horsepower STZ tractors, 15 tons of carbon electrodes for the "Industria Sarmel" wire plant of Campia Turzii (to be used in the electric furnaces), and other material and equipment.
